GIVING SHAPE TO YOUR DREAM

Guidelines for Observership/Externship at Premier Pain Centers

Dear Applicants,

Thank you for your interest in our rotation program. Below are the detailed terms and conditions to help you understand the process and expectations:

- **Program Focus:** Applicants must demonstrate a genuine interest in interventional pain medicine rotations.
- **Letter of Recommendation (LOR):** Upon successful completion of the rotation, participants will receive a Letter of Recommendation (LOR) applicable to most residency programs, including Internal Medicine, Family Medicine, Neurology, PM&R, Radiology, Surgery, Anesthesiology, and Orthopedic Surgery.
- **Fee Structure:** The program fee is \$1,500 per rotation.

This fee is waived for Pakistani physicians, provided they fulfill the following conditions:

1. Acknowledge the role of US SHAPE in their success upon residency matching.
 2. Agree to have their details listed on the US SHAPE website as an alumnus for others to contact them for guidance.
 3. Submit a public review about their experience in the program.
- **Cancellation Policy:** If a rotation is canceled without at least one month's notice, a **\$250 fine will be charged** to account for the wasted opportunity that could have been offered to another candidate.
 - You must obtain an LOR from a USA physician, who will email it directly to contact@usshape.org. This physician can be a resident physician.

Applicants must review, agree to, and sign these terms before starting the rotation.

US SHAPE
GIVING SHAPE TO YOUR DREAM

- **FAQs:** Please read all FAQs thoroughly from our website. Questions already addressed in the FAQs will not be entertained.
- **Visa Support:** We do not provide visa letters. However, an LOR will be provided upon successful completion of the program.
- **Rotation Site:** The main rotation site is 2071 N. Collins Blvd., Richardson, TX 75080. Some commutes to 1-2 additional locations may be required. Check website mypremierpain.com
- **Applicants** are responsible for arranging their own accommodation, as we do not provide or recommend specific housing options.
- **Completion Requirements:** A minimum of two weeks is required to qualify for an LOR.
- **Residency Assistance:** While we cannot guarantee help in obtaining residency interviews, guidance may be provided if feasible.

Program Objective:

We strive to offer a valuable and transformative experience, equipping participants with the skills and connections to advance their careers. By joining this program, you contribute to a growing community of physicians and help establish a network of support and mentorship for future candidates.

Thank you for your cooperation and dedication.

Best regards,

US SHAPE Team
